2018

Dear Professor Lakshman Dissanayake,

Warm greetings !

*Dear  
for  
2018*

We would like to invite outstanding students from your prestige university to attend the **10<sup>th</sup> edition** of the **University Scholars Leadership Symposium 2019** in **Kuala Lumpur, Malaysia** from **August 1 to 7**. Each invited university could nominate not more than 10 students for the 10<sup>th</sup> USLS.

The University Scholars Leadership Symposium is a week-long leadership development training program. The Symposium will bring together 1,500 of the world's most promising leaders to one stimulating platform in the heart of Asia. The Program has been designed for young persons who are committed to making this world a much better place for the human race.

More than 8,000 emerging world leaders have participated and benefitted from our Leadership Symposia. Citing the experience of one participant, Catherine MacCarthy from USA shared:

*This was truly a life changing experience. From listening to all the different speakers to networking with delegates from around the world, USLS has been a week I will never forget. Many of us are still in a group chat together and talk about and share things we would like to work on. I truly feel this symposium gave me the confidence and skills to affect the change we want to see in the world. I am eternally grateful.*

For more information about the program and registration fee, please visit the UN OCHA's ReliefWeb.

You can review the personal testimonials of other participants at our Event's Facebook page at <https://www.facebook.com/UniScholars>. Click here to watch the short video documentation of the 9<sup>th</sup> USLS 2018.

We look forward to welcome emerging young leaders from your esteemed university.

May we also take this opportunity to wish you a new year fills with **LOVE, PEACE** and **JOY** !

Kind Regards,

**ADMINISTRATOR**
