OBJECTIVES

✎ **Advanced Certificate in Environmental Law (CEL)**

This course is designed to enable the participants to understand the fundamentals of Environmental Law in simple terms. Also, it is intended to disseminate knowledge of Environmental Law from practical perspective.

✎ **Advanced Certificate in Fundamentals of Criminal Law (CFCL)**

This course is designed to enable the participants to understand the basics/fundamentals of Criminal Law provided in simplified terms. Also, it is intended to disseminate knowledge of Criminal Law from practical angles.

✎ **Advanced Certificate in International Criminal Law (CICL)**

This course is designed to enable the participants to understand the basics/fundamentals of International Criminal Law. This course will cover the history and the development of ICL and also venture into its current relevance both from a global perspective as well as from a domestic perspective.
